(Continued from First Page.)

which marked the opening of the first hearing.

Since the agreement that Anthony Comstock, head of the Society for the Suppression of Vice, would be called as one of the principal witnesses for the defense, the rumor has once more gained circulation that Mrs. Evelyn Nesbit Thaw will not take the stand; the theory being that Comstock's testimony will indicate that Thaw had heard the full story regarding Stanford White and thus relieve the wife from repeating her remarkable story. It was again authoritatively stated today, however, that young Mrs. Thaw will be relied upon as the chief witness.

PETTIBONE AND MOYER FREE MEN ONCE MORE

Jury Votes Acquittal in the Case of the Former; and the Later Will Not be Tried.

BOISE, IDAHO, Jan. 4.—An end of the prosecution of the men charged with the former Governor Frank Steunenberg, except the cases of Harry Orchard and Jack Shimpkins, came today when the acquittal of George A. Pettibone and the discharge of Charles H. Moyer, president of the Western Federation of Miners, both charged with conspiring with William D. Haywood, to murder Steunenberg took place.

Moyer will return with Pettibone in a few days to Denver. Haywood was acquitted last Summer and Moyer will not be tried. Only two men on the Pettibone jury voted for conviction, he case of Orchard, confessed assassin of Steunenberg and chief witness against Moyer, Haywood and Pettibone, is in the hands of the Prosecuting Attorney Vanduin, of Canyon county, Idaho. No statement as to the future procedure in that case has been made, but it will be called during the next term of court at Caldwell, when it will be finally disposed of. Shimpkins is still a fugitive.
